

November 15–19
2024

IX International School-Conference
of Young Scientists

Skoltech
campus

30 Bolshoy Blvd., Building 1,
Skolkovo Innovation Center,
Moscow 121205, Russia

Synthesis of Electrode Materials

Deadlines

Registration and submission
of abstracts – July 31

Acceptance notice –
August 15

Registration fee –
September 15

The cost

is 7,000 rubles per person

Includes:
participation in the conference,
participation in the poster
session, conference materials,
meals

Contact us

lcys2024@skoltech.ru

conference participants
will be able to present their
presentation at poster session

Tracks:

- Guiding synthesis by materials modeling
- Hydrothermal synthesis
- Co-precipitation
- Electrodeposition
- Anode material synthesis
- Aerosol spray pyrolysis synthesis
- Spray drying method for synthesis of electrode materials

Skoltech
Energy

Center for
Energy Science
and Technology
